WORKCARE NAMES WILLIAM E. NIXON CHIEF FINANCIAL OFFICER

Anaheim, California – WorkCare, Inc. recently announced the appointment of William E. (Bill) Nixon as its new chief financial officer. For the last 20 years, Bill has held various executive positions in both private and public companies, including a 10-year stint as EVP/CFO for CORE, INC., a leader in Integrated Disability Management services to Fortune 500 companies.

“WorkCare’s continued growth requires that we build an organization that is scalable and remains responsive to the needs of our customers,” said company CEO and President Peter P. Greaney, MD. “Bill’s strong entrepreneurial background will help us move the company forward and expand our presence in the marketplace.”

As a key member of the executive management team, Bill will report to the CEO and President and assume a strategic role in the overall management of the company. He will have day-to-day responsibility for all financial-related activities of the company, as well as direct responsibility for strategic planning, M&A, human resources, information technology activities, legal, and partnerships.

“Dr. Greaney has built an impressive organization, driven by values of outstanding customer service and process efficiency. It is clear to me, that WorkCare is well positioned to capitalize on the tremendous amount of opportunity in the occupational healthcare marketplace and I’m looking forward to being a part of that.” said Bill.

Bill holds a Bachelor of Arts in Business Administration from Eastern Nazarene College.

About WorkCare:

As a leader in the field of occupational healthcare, WorkCare is at the forefront of helping companies maintain a healthy and productive workforce by providing proven solutions to employee lost time due to injury and illness.

With a prevention-minded staff of clinicians, the company offers a diverse complement of services that include absence and injury management, medical examinations, TravelCare[®], onsite clinic management and consulting medical director services.
